

Instructions

U.S. Department of Justice
United States Marshals Service

COST SHEET FOR DETENTION SERVICES

SCHEDULE A

Instructions: This should be completed and submitted to the U.S. Marshal by the local government for the acquisition of detention services for federal prisoners. The cost information contained in this form will be reviewed by a representative from the U.S. Marshals Service Headquarters. Upon request, additional supporting data in addition to that included as part of this cost sheet may be requested. The individual designated in Section V will be contacted by a U.S. Marshals Service representative to negotiate a jail per them rate and its effective date. Upon completion of negotiations, and Intergovernmental Service Agreement (ICTA) will be issued by the U.S. Marshals Service Headquarters and forwarded to the local government for review and signature. Local Governments shall only request the reimbursement of costs to the extent provided for in the latest revision of OMB Circular No. A-87. OMB Circular No. A-87 sets forth the principles and standards for determining costs for federal awards carried out through agreements with state and local governments. If additional guidance is required, please contact U.S. Marshals Service Headquarters, Prisoner Services Division (202) 307-5100.

CERTIFICATE OF COST ALLOCATION PLAN

This is to certify that I have reviewed the cost allocation plan submitted herewith and to the best of my knowledge and belief:

(1) All costs included in this proposal [identify date] to establish cost allocations or billings for [identify period covered by plan] are allowable in accordance with the requirements of OMB Circular A-87, "Cost Principles for State and Local Governments," and the Federal award(s) to which they apply. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.

(2) All costs included in this proposal are properly allocable to Federal awards on the bases of a beneficial or casual relationship between the expenses incurred and the awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.

I declare that the foregoing is true and correct.

SCHEDULE G - BUILDING DEPRECIATION

Instructions: Provide an explanation of method used by state, county or city to depreciate buildings. Show date of construction-, cost of construction (cost of land/site is not allowable)-, number of years in depreciation cycle. Note that federal assistance revenues used for building construction are considered offsetting revenues and are to be subtracted from cost of construction. In lieu of building depreciation an annual use allowance of 2% of acquisition cost may be substituted. Treatment of these costs must be consistent with local government's method. If claiming debt service arising from construction or renovation of a facility, please specify in "other" below.

Part I - Depreciation Computation

Facility	Year of Construction	Original Construction Cost	Annual Depreciation Claimed *
Main Building			
Addition(s)			
Annex			
Other (Please specify):			
Subtotal			
Less Federal Assistance Revenues or Grants including awards under Cooperative Agreement Program			
Total			

Not Available

*Generally 2% of original construction cost

Part II - Method of calculating depreciation used by state, county or city (i.e., specify depreciation method if 2% depreciation allowance is not utilized by the state, county, or city)
